De Andreian

PRESENTED BY THE SENIORS

OF

DE ANDREIS HIGH SCHOOL

Dedication

It is not without pride and a feeling of happiness that we dedicate to our Parents, this, the first annual to be written at De Andreis High School. It is fitting that we, in particular dedicate this annual to them, because they have assisted with understanding sympathy the troubles that occurred during our four years in high school. Our four years have been full of every conceivable obstacle; we have occupied three school buildings, we have started school only twice on the opening day.

In dedicating this annual to our Parents we wish to set our devotion to our lovable guardians as a precedent to the future seniors of De Andreis High School.

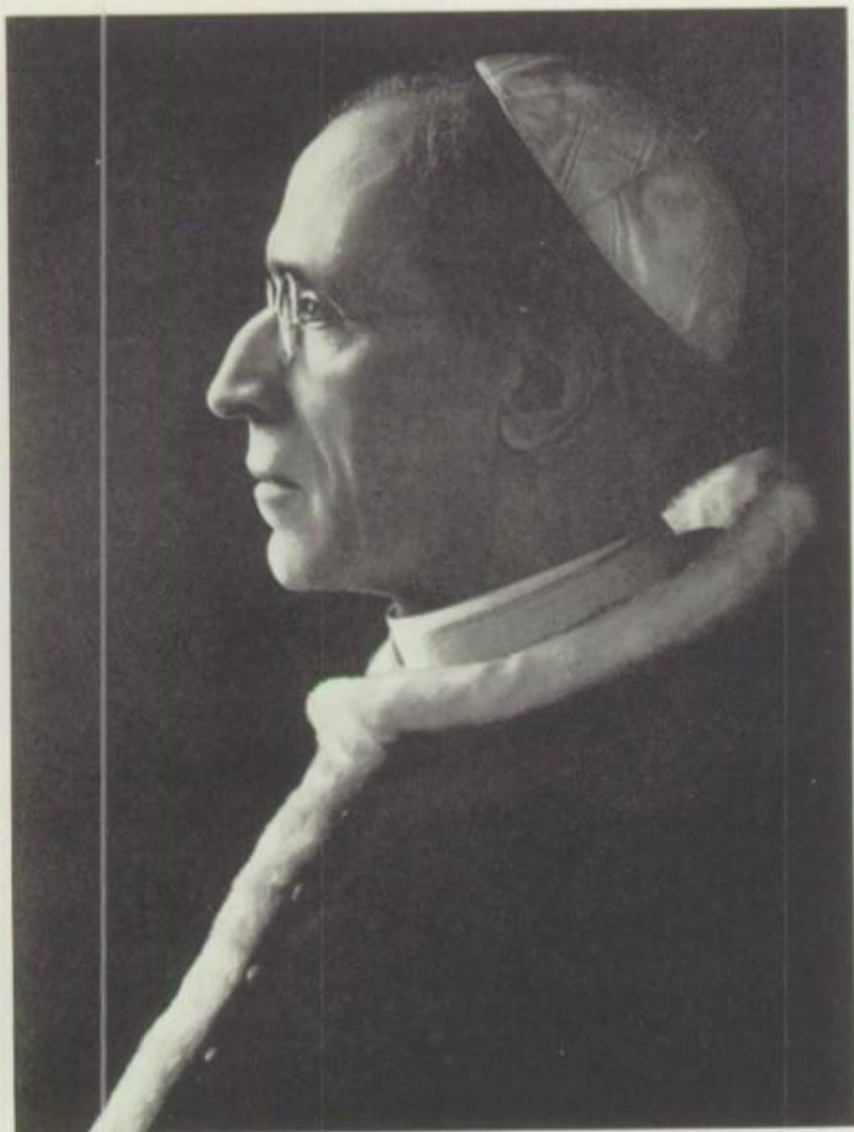

Theme

Our School—these words are our theme. We have waited long and anxiously for the opportunity to use these words, but too late have we come to know and love—Our School. The boys who will follow us through these corridors will have ample time to do both. What we have tried to do in one year they will do in four. It has been our privilege to show them the way, we have laid the foundation—we have begun a tradition. May this book be to the seniors of 1948, a record of the happiest year of their high school career; and to all future students of De Andreis High School, a guide in the fond traditions of—Our School.

We found it easy to begin each day well this year.

His Holiness Pius XII

Leadership is something that is a necessity in every phase of civilization. We have thought about leadership often in the trying days of the past and the ever anxious days of the present.

We feel secure under the expert guidance of our chief Pastor. We know that we are not sheep without a shepherd. Joyously we unite our voices in hailing the Shepherd—King of Rome.

His Excellency Joseph E. Ritter

Although we are the youngest of the Archdiocesan high schools, we are not the least. From the beginning of De Andreis High School Archbishop Joseph E. Ritter has watched our progress with interest and enthusiasm. It is with a feeling of pride and gratitude that we express our thanks to our Archbishop again for building us such a beautiful, modern school.

MSGR. ALFRED G. THOMSON
Superintendent

The job of carrying for the diocesan high schools in the capable hands of Msgr. Thomson. He gives his untiring efforts to give the students a thorough education, preparing them to fit into the social order of our great country.

We at De Andreis thank him for the part he took in making possible the opening of our school. We are sure he will aid us in every way possible to bring De Andreis to its full stature as a Catholic High School.

FATHER JAMES T. MURPHY
Assistant Superintendent

Although just recently appointed assistant superintendent, we don't think it necessary to have to introduce Father Murphy to the students of De Andreis High School. Father's frequent visits to our school has made his presence familiar to us. We wish Father all the success that our prayers can obtain for his new post. And we feel sure that the confidence he has won during his first year, will make all succeeding ones more of pleasure than a task.

Principal's Message

My dear graduates:

I consider it indeed a privilege to address this final message to you, the first class to graduate from this new building. You and I came to this school together four years ago. We have, since that September 1944, worked together under varying circumstances and conditions. As a matter of fact, together we have seen three buildings utilized by the students of North Side Catholic and De Andreis. I, and the rest of the Brothers with me, have come to regard the class of '48 with a sincere affection. We have seen you progress through the school from the freshman to the senior year, catching as you went, Christ's message, and the teachings of His Church. We have seen you develop in yourselves a fine manly devotion to our Heavenly Mother. And now, we see you move on to assume your proper place in adult society.

Retain, boys, the precious lessons taught you at De Andreis! Look to Mary, the Star of the Sea, in the many difficulties that will confront you in the years that are to come. Be assured that your teachers at De Andreis will solicitously follow you in all that you do—feel free to call on them, always.

May God bless you, Graduates, and may Our Heavenly Mother protect and preserve you.

UNDERCLASSMEN

Freshman A

Bro. Francis brings his religion lesson to life.

According to Brother Singler this class is not outstanding in scholastic honors but will make up for it in its record of school and sport activities. This room offers a number of promising athletes in the football, basketball and boxing field. The class is especially noted for its devotion to the Blessed Virgin as it was enrolled in the scapulars of Mary during the recent retreat. Under the firm but helpful hand of Brother Singler this class has a good start for three more happy years at De Andreis.

Freshman B

This room has made good use of its position near the chapel. The members of the class have made it a point never to pass the chapel without dropping in for a brief visit. Bro. William Chewning is at the helm in this room. The group spirit that reigns there gives ample proof of how these boys have adapted themselves to high school. Backing all school activities these boys are more athletically inclined than scholastically.

The yearbook is absorbing work—cf Bro. William.

Consisting of 35 boys from eight different parishes, room 1C boasts of its splendid participation in athletics, J. Lepping, T. Delano, H. Rahmoeller C Team football; R. Strinni, J. Farley C team basketball and H. Stranz, J. Laposha and J. Farley went out for boxing.

The class was found in second place in the turkey raffle, with an average of 3300%. Among the five highest sellers were D. Walter, D. Layton and J. Laposha. D. Layton also won the radio which was raffled in order to purchase religious articles for the school. Brother Paul Laubner rules over this active body.

Freshman D

Under the watchful guidance of Brother John Messner's experienced eyes, Freshman D has found the true meaning of school spirit. Their support in all activities is always worthy of note. All freshman teams have had boys from ID as members. Their missionary spirit has led the way in the Freshman division. Bro. John's firm hand has molded these boys into young Catholic men who will be ready to give the example of school life at De Andreis to all comers next year. De Andreis can be proud of such a class as this.

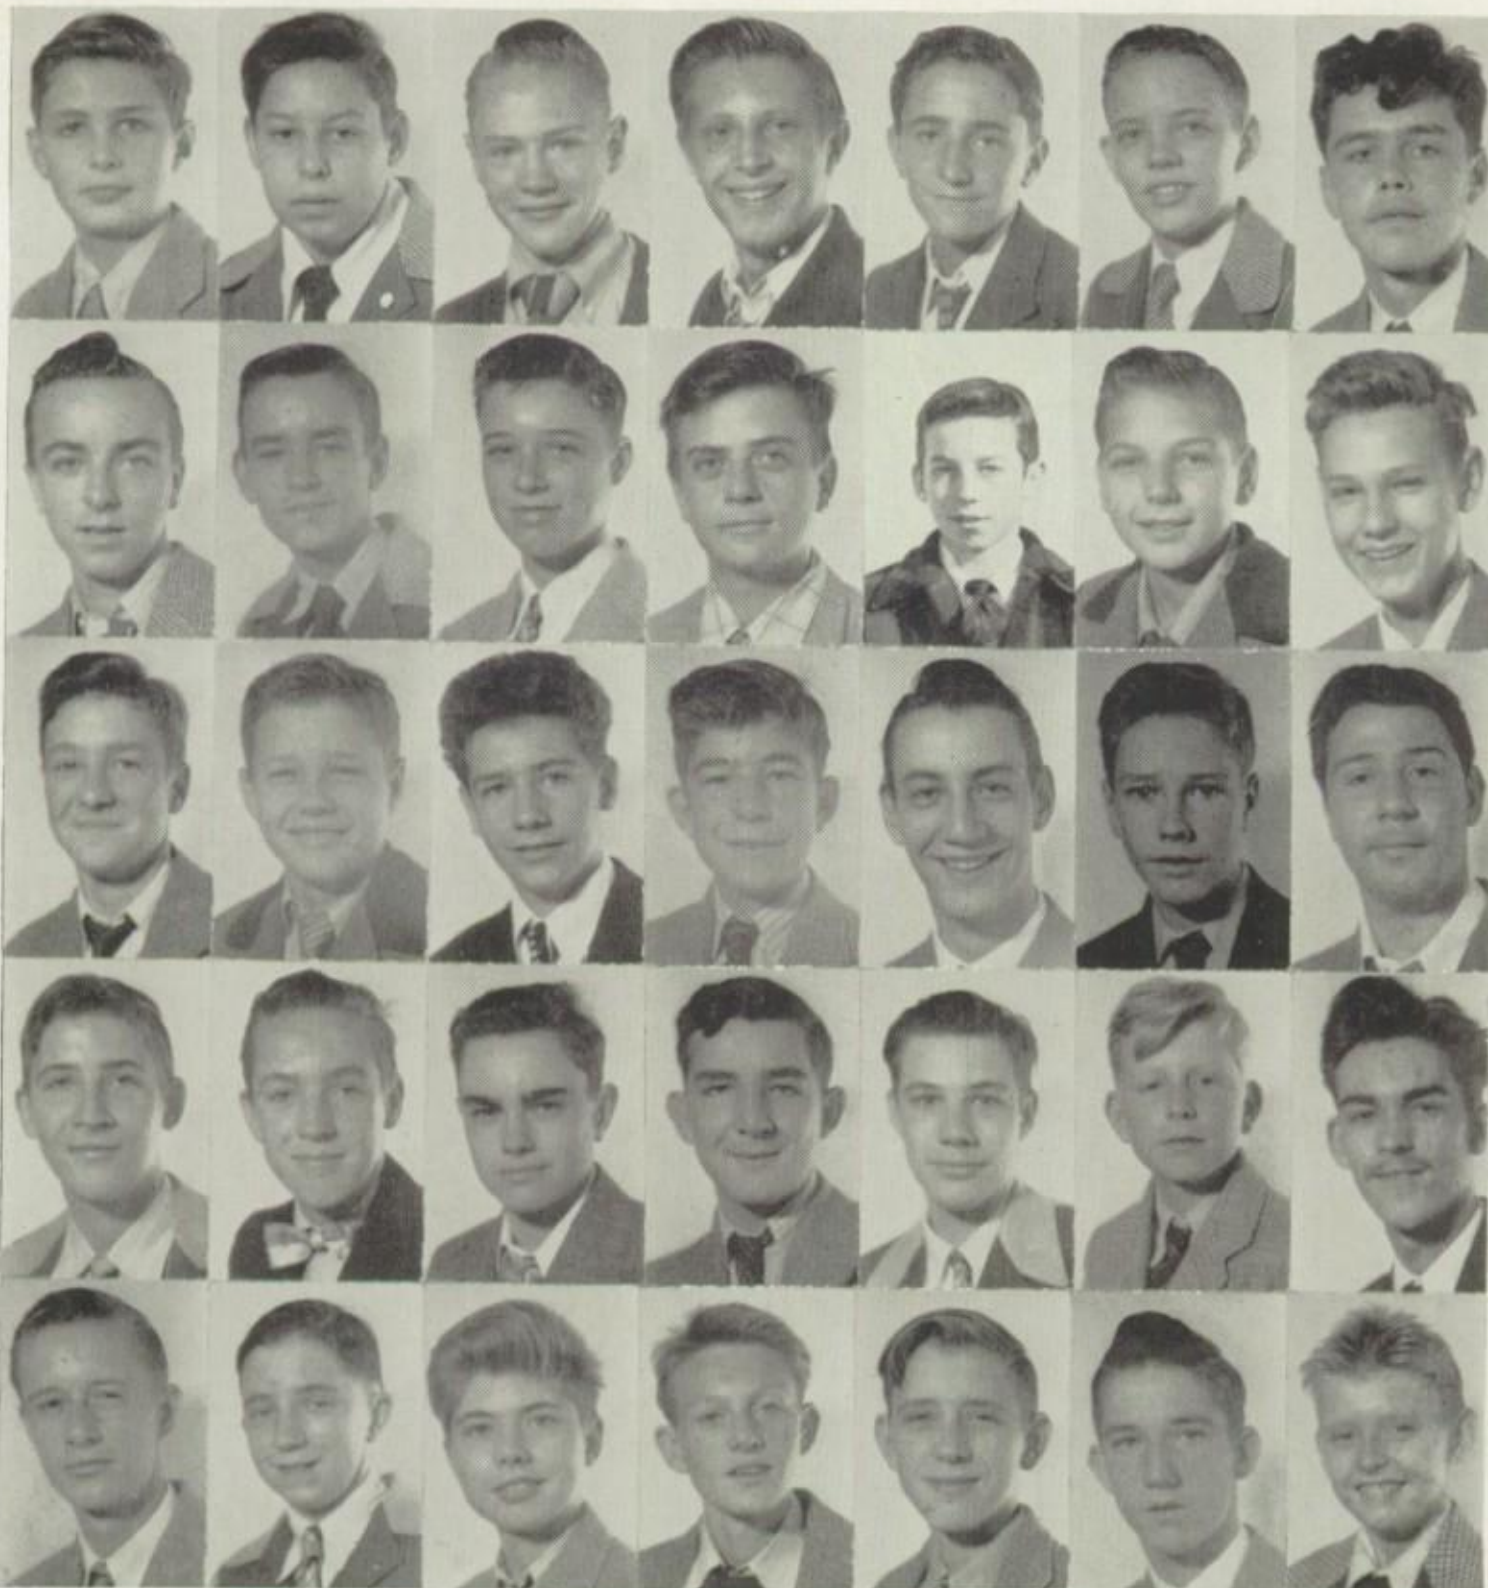

Freshman E

Although situated in the remote southwest corner of the school, Room 202 is not to be considered among the least. The students have good school spirit and proved so by taking part in "C" Team basket ball and football, and by placing second in the freshman division of the turkey raffle.

J. Mahood, leading the class in studies, represents the room at all student council meetings. Brother Fred Fuchs is moderator of this class.

Freshman F

Most of the boys know Room 217 all too well, for the mere mention of it brings to mind that well-known phrase, "report to 217 after dismissal." Yes, although we hate to admit it, 217 is the famed penance junior room but its reigning spirit during the day is far different than that found in it after school hours. The students have backed every school activity and have had their share of berths on all the freshman teams.

Fr. O'Brien the homeroom teacher, finds time between his duties as teacher and parish priest to be an ardent camera fan.

Sophomore A

Father Stolle, who received his high school education from the Brothers of Mary, now assists that society by instructing the sophomores of room 114. These boys are very athletically inclined, and what is most important, the carry over of a true competitive spirit reigns in this homeroom. Father's job is made much easier with such a group of boys. Scholastic honors have been carried away by Bob Mayer and Bob Hanss.

Besides his many parish activities at all Saints, Father Geoghegan is responsible for Sophomore B. Balance is the word that best describes this class. Five boys claim scholastic honors, and as many again, have gained recognition in the athletic program of the school. Their spirit of cooperation has made Father's year with us most pleasant. May this spirit be their outstanding characteristic during the next two years.

Sophomore C

An active group of boys is always nice to work with, and that has been the reaction of Bro. Gerrard Knuth with his homeroom this year. Football, basketball and baseball players, boxers and student managers have come from Soph C. Other activities were not forgotten nor slighted. The missions have been well remembered. The sophomore division will be ready when the time comes to take their place as the largest graduating class from De Andreis.

From this class originated an idea that started the school humming with school spirit. These boys were the backers of the trip to Alton for our second football game. Three bus loads of De Andreis rooters were on hand that night to cheer the Wildcats to their second victory of the season. Their school spirit did not stop there, they have been the sparkers of the sophomore division and all drives. "A good class to have around," Bro. Henry Neihoff, the home-room teacher, says.

The democratic spirit reigns in this homeroom. Bill Doerr, president, as well as student council representative, is the man who works with Bro. Robert Minges to keep this class hustling. The call for football and basketball players was not made upon deaf ears in this room. Their hours of work on the athletic field did not hinder their work in the classroom.

Bro. Raymond Sohm believes in more than just the use of a textbook during his religion period. The rosary and scapular are two big outside helps, and prepared talks by members of the class help the boys to live their religion. Carl Sievers was the official scorer for athletic events at De Andreis, and is also class representative. This class was well represented in the school athletic program.

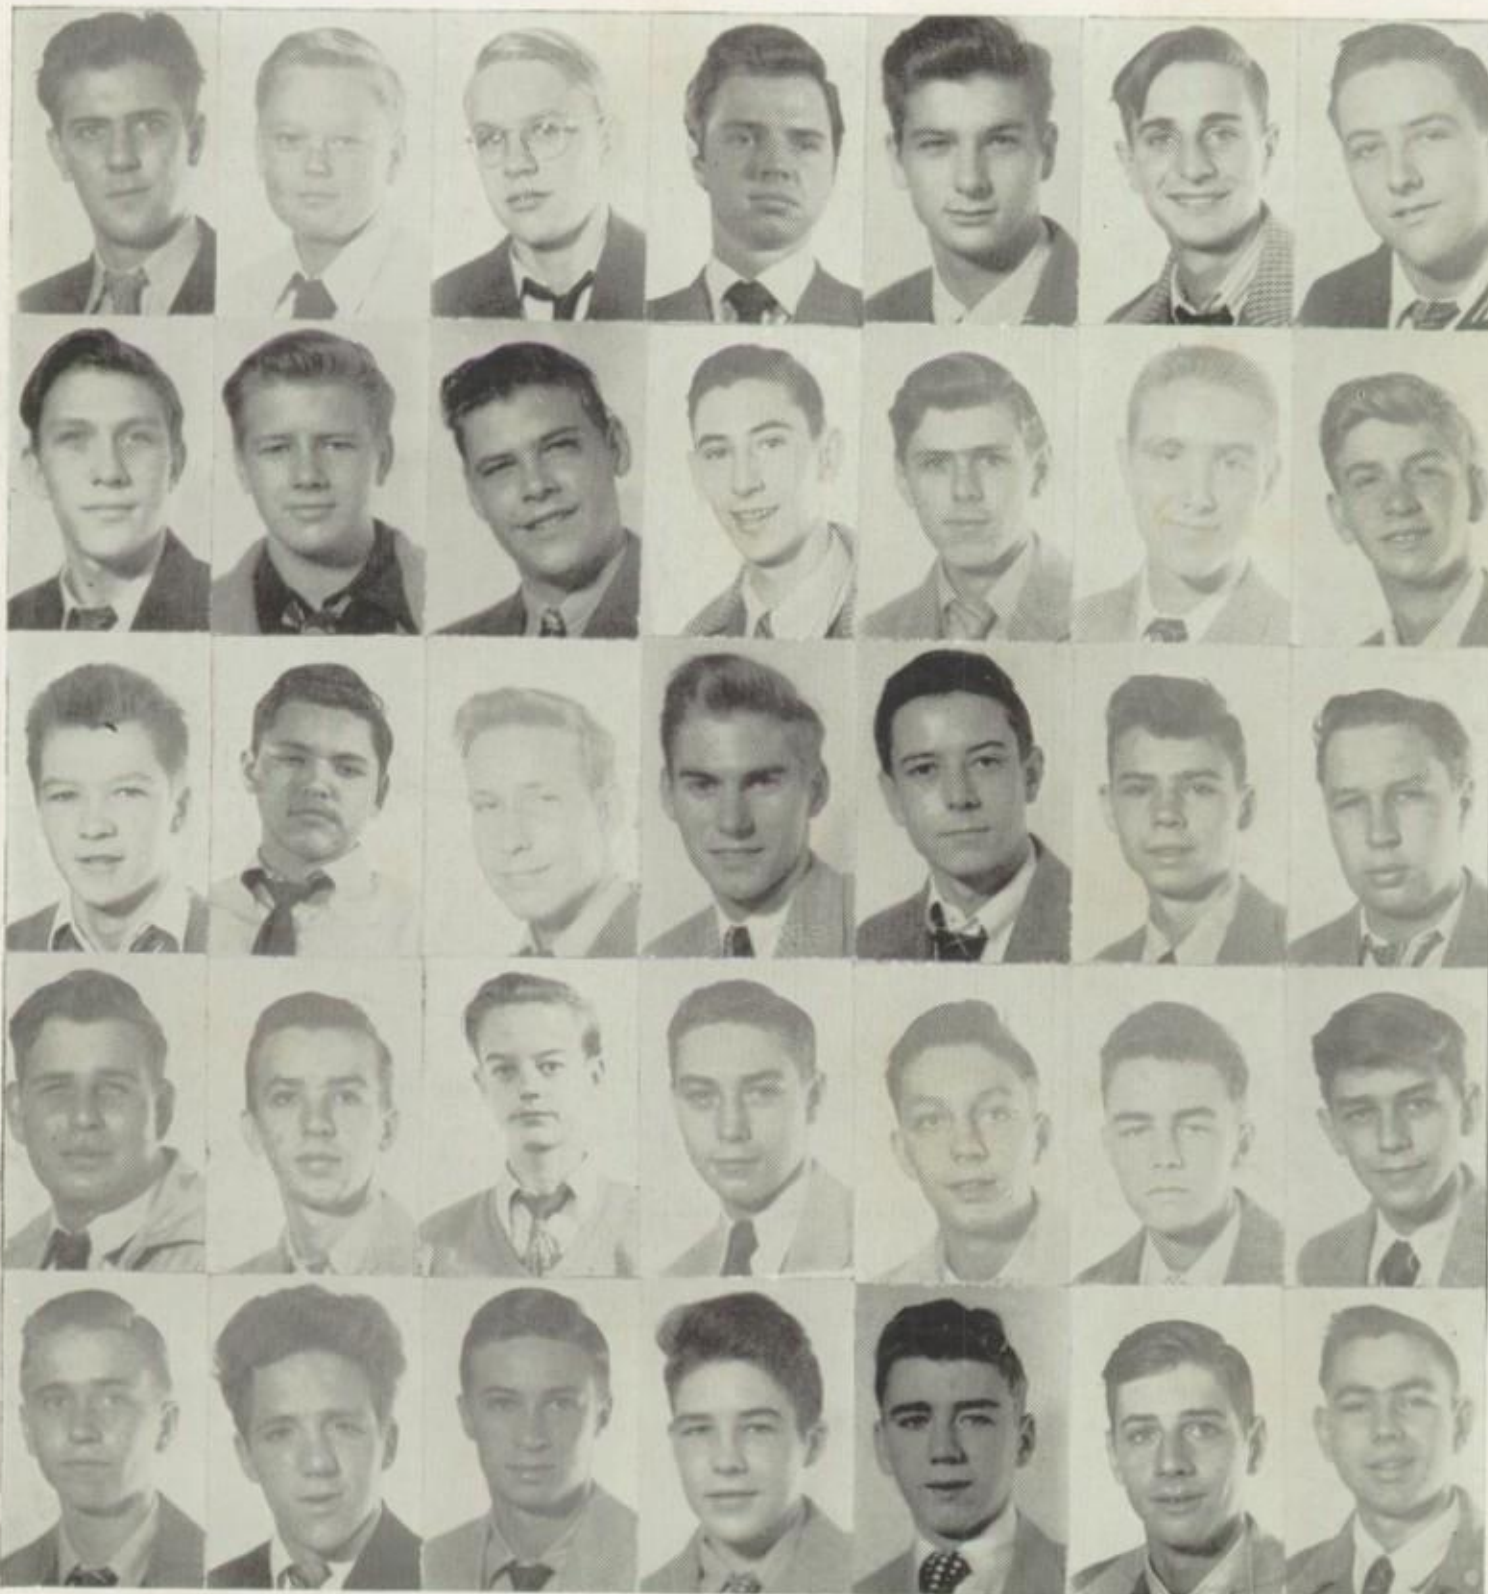

Brother Raymond likes the patter of little keys.

Junior A

The first of the three junior rooms is under the supervision of Brother William Burch. The boys like the word supervision, not that they need it, but rather because they believe that is all they need in their work. They can be counted on to get things done as was evidenced in the various school drives. They are preparing well to take their place as the leaders of the school next year.

Junior B

Here is a group of leaders and athletes. Tom Leonard, Howard Margraff, William Barbier, William Wilcox, Anthony Solari, John Hecht and Kenneth Krone led the Juniors of 107 in sports. This class is found to be a generous group in the missions and to be rated high among church activities. Brother Gerald Busch, who is responsible for this room, learned that a good number of his boys still serve in their parish church and that about 80% partake in some kind of a sodality.

Junior C

The largest class in the school is under the direction of Bro. Eugene Streckfus. This class likes the use of superlatives when referring to themselves and consequently they have led the school in most of the drives. Three from the class participated in varsity athletics. Len Smith topped in popularity and is the student council representative. Saturday Mass and Holy Communion as a group is one of the aims of this class. Rotation to the different parishes makes the accomplishment easy for all.

ACTIVITIES

Religious

Mass of the Holy Ghost found us at a different church again. St. Engelbert's this time.

With Mass in the gym for the first time we publicly consecrated our school to the Sacred Heart, and each homeroom particularly.

Everyone helped to make the DeAndreis first annual food drive a success. The juniors were tops in this drive.

Religious

The first three days of Lent were set aside this year for our annual retreat. Under the direction of our chaplain, they were three days of prayer and recollection.

A day of recollection brought back fond memories of our retreat. It also recalled our resolutions.

Opportunity for communion was made possible every morning during Lent, in the school chapel. To fulfill our Lady of Fatima's wish we also had Mass and communion here every first Saturday.

Student Council

The formation of the student council was another notable event in the past year. With true De Andreian spirit the student council has pledged itself to carry out the work it was formed to do; better student-faculty relations, provide an outlet for student ideas and organize and sponsor special activities.

Business Manager Larry Huck and Editor Vince Shepard prepare the blue-prints for action.

DeAndreian

The "De Andreian" is the result of the initiative and efforts of the senior class. It is their memories and therefore their work. They have given many hours of work so that everyone can enjoy it. The seniors worked under the direction of Bro. William Chewning.

Wildcat Staff

Among the many new things that came with our new school was our school paper, the "Wildcat." The work of organizing and publishing the Wildcat was up to the staff made of seniors under the able leadership and direction of Brother Minges. With no past experience, the staff undertook the task of publishing De Andreis' first school paper.

Exact reporting of all school and sports activities has always been its constant aim. The student council owes its origin and rapid development to the untiring efforts of the editorial staff. We leave behind us another tradition that will take its place with those that have given De Andreis a future as well as a past.

Wildcat—Juniors

When it came time to begin work on the yearbook, the Seniors found anxious Juniors awaiting to replace them on the Wildcat staff. The training of not one but two staffs in the first year of its existence was laid in the capable hands of Bro. Robert Minges. The task of publishing the Wildcat every two (2) weeks did not daunt the courage of the new staff who emulated the example given during the first semester in the faultless regularity of publication. The experience gained during this year makes the success of the next year's Wildcat well assured.

*Deadlines were easy, when we
united our efforts.*

Social

The Father's club sponsored our first dance. It was a huge success.

Taking time out from the strains of dancing, Max Durbin, Jim Byrne, Danny O'Brien and their dates await the refreshments served by the Mother's Club.

Prom night is always full of memories. The senior banquet is all part of that memorable night. The Mother's Club takes charge and success is assured.

Choral

The mixed chorus under the direction of Gregory Millar consists of girls from Labouré and Rosati-Kain high schools and the boys from De Andreis. Mr. Millar has plans for several interesting programs.

The mixed chorus practices every Wednesday afternoon at De Andreis. Nice surroundings for all.

The boys glee club, a separate organization from the mixed chorus, practices every Wednesday at 8:00 A. M. The club is under the direction of Mr. Millar.

Mother's Club

We all know what a mother's touch can do, and De Andreis is no exception. The Mother's club set to work immediately helping us to establish ourselves in our new building.

The mother's club partakes in many interesting activities, such as, a sewing and quilting circle, planning parties and luncheons and most important in the hearts of the students is their sponsoring of the Junior-Senior Prom. The care of the new chapel quickly became one of the works of predilection for the mothers. To make their work more meaningful, Father Young explained the Mass, the altar, the vessels and vestments during several of their monthly meetings.

Father's Club

When we think of school spirit we generally do not think of a Father's club, but at De Andreis the example of the Father's club has been the ideal. This group is always busy with some activity for the benefit of the school. The sponsorship of all athletics is the special work of the club. The school bus used in transporting players was a gift of the Father's club this past year. The orderly running of all Athletic events has been placed in their capable hands. The first dance at De Andreis was their undertaking. These loyal fathers have unselfishly given of their time and effort to aid the school and the entire student body owes them a debt of gratitude.

The Coat of Arms of the Society of Mary

As we seniors prepare to leave De Andreis we think back over our four years and recall the many watchwords and mottos that have been given to us. Now only one of each remains in our minds. Each of these have been constantly before our eyes while at De Andreis and will continue to be so even after we leave. We have found these words every time we entered and left our chapel; on our class rings; on our invitations and in our yearbook. Underclassmen and even our parents have come in contact with these words. They are found on the coat of arms of the Society of Mary. The coat of arms will always remind us of our teachers and the words of what they taught us.

"Fortes in Fide," "Strong in Faith," is our watchword. In these words we find the true expression of our Catholic Education. "Per Matrem ad Filium," "Through the Mother to the Son"—our motto. It is our heritage from our teachers, as this has been the guiding principle of their unselfish lives, so shall we try to make it our dominant virtue as Catholic men.

ATHLETICS

Varsity Football

In their third season with Coach Lenich at the helm, the Wildcats entered the victory column only twice, but their opponents were impressed by their scrap and spirited determination displayed on the gridiron. Both triumphs were shutouts, registered over Chaminade, 13 to 0, and Marquette, 19 to 0. Cathedral their only other non-league foe dropped the Wildcats, 25 to 6.

In their first two Prep League encounters the Wildcats seemed plagued by a last quarter jinx, as they fell before C. B. C., 12 to 7, and Central Catholic, 2 to 0. St. Mary's next on the schedule easily romped to a 25 to 7 victory over De Andreis gridders, while St. Louis U. was forced to go all out to overcome a surprisingly stubborn Purple and White eleven, 18 to 6. In the final game of the season the injury laden Wildcats fell easy prey to McBride 31 to 14.

Tom Stapleton—triple threat quarterback, selected by sportwriters and coaches on the Prep League All-Star Team.

Al Androlewicz—team captain, plunging fullback, a full 60-minute hustler.

Bill Schaffer—shifty halfback, brutal blocker, hampered by leg injuries during latter part of season.

Milton Yust—versatile end, rugged and capable both on defense and offensive.

Kelly Smith, John Signaigo—pair of seasoned guards, bulwarks of the line.

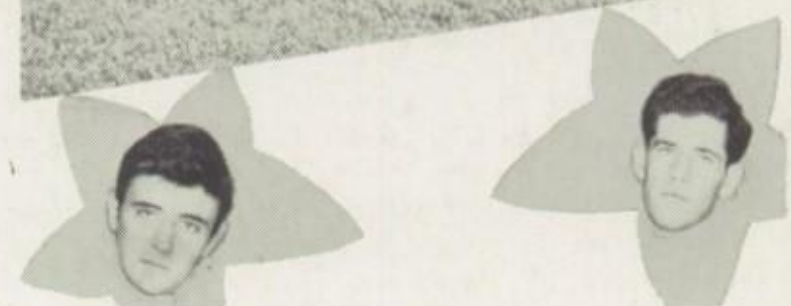

Joe Sneed—led ends in scoring, hard tackler, effective blocker.

Ray Gilliam—aggressive end, an all-out scrapper.

Rich Spilker, Jim Leonard—couple of veteran tackles, with lots of spunk and drive.

Jerry Wald—switched from backfield to end where he was good enough to make All-Prep second team.

Frank Hausladen, Rich Henderson and Ebby McHugh—hard-working reserves, lack of experience kept them from seeing too much action.

T-formation for T.Ds.

The Wildcats appreciated having a field to call their own for practice, and they used the field for long hours every afternoon for just that. Besides the new field, a new coach was added to the staff in the person of Mike Fitzgerald. Mr. Fitzgerald made the line his special care and his success can be affirmed by every opponent of the Wildcats. The line threw up a wall of protection for our passers and hence many of our scores were the result of pass plays. With the same kind of instruction from our coaching staff, the Wildcats should be the team to stop next year.

Varsity Basketball

Experience is not something that can be had for the asking. De Andreis Cagers know the price that must be paid for this cherished quality. The season's record, 5 won and 14 lost, 7 of the games lost being in the 5-point radius, bears witness to this fact. The highlight of the season was the 46 to 38 upset victory over a strong St. Mary's quintet.

The team, although built around juniors, will miss the service of Everett Boyer, Ebbie McHugh, Tom Stapleton and Bill Otten, seniors, whose experience and will to win kept the squad hustling during the 47-48 campaign.

Tommy Leonard, center, lead the team in the scoring column and placed among the district high scorers. His fine all-around floor play lead the team on the court. Playing for his third year on the varsity next year, his experience and poise will be counted on often.

B Basketball

Under the coaching of Mr. Joe Gresnick, the "B" basketball squad gave De Andreis its best won-lost record team of the 1947-48 season. Its eleven wins and six losses included a 6-4 league record, good for a third place tie with CBC. Providing the preliminary of the varsity game the BEEzers always provided an interesting contest. Taking advantage of every opportunity they won many games handily and overcame big leads to snatch others. Two losses were by a mere point. The only team to defeat McBride in league play, the Sophs twice set them back.

While winning most of its games the "B" team displayed a great deal of talent capable of replacing the seniors lost to the varsity through graduation. Such stars as Jim Brazill, Glenn Winter and Layne Mohr should aid the varsity greatly.

Baseball

The absence of baseball for two years at De Andreis will undoubtedly have its effect upon the team. Inexperience will again plague the Wildcats as they begin the round of prep circuits. The fact of entering the ever tough prep league has given all candidates a hustling spirit. Under the direction of Brother James Powers the pitchers and catchers began the season early by limbering up in the gym. Bad weather for the first three games and for many days of practice have robbed the Wildcats of some valuable experience. The many underclassmen on the squad makes the outlook for next year look bright.

An all out effort by Androlewicz.

Boxing

An eager group of pugilistic hopefuls answered the call for boxers. Their courage was equal to their ambition, and so after weeks of training in the gym, we engaged St. Louis High School in the first bouts of the year. St. Louis High was the victor in the first card, but return matches found the Wildcats at the top of the scoring columns. Tournament nights were filled with excitement as experienced De Andreian boxers paired off with one another. Chaminade proved easy prey for the 'Cats in the last card of the season. De Andreis students hope boxing is here to stay in the athletic program.
